SUMMARY OF THE REASONS FOR DECISION:

The DVD entitled *Two Cocks In The Same Hole* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

This classification is primarily due to the manner in which the publication deals with matters of sex, in the form of explicitly depicted sexual activity that is intended to sexually arouse the viewer.

The publication contains a version of a feature previously classified in video recording format by the Classification Office. The video recording entitled *Two Cocks In The Same Hole* (OFLC No. 712) was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years". This classification decision was registered on 7 July 2000. The version of the feature on the DVD has been verified as identical to the video version.

Along with the feature, the DVD contains a number of additional moving image and still components, including a number of trailers which differ from those on the video recording. The extra components contain explicit depictions of sexual activity. This material serves to increase the degrading, dehumanising and demeaning elements in the publication as a whole. The impact of this extra material is not, however, significant enough to warrant a more restrictive classification than that given to the video recording.
